

STAMP EXHIBITS AT MONTHLY MEETINGS

We need one page exhibits for Stampfest. (April 2019) Also each collector gets a chance to showcase their stamps, do the research to learn more about their collection.

For our Christmas meeting we are challenging every member to do a one-page exhibit with a Christmas theme (secular Santa or religious, etc.)

In January we will feature "Black Heritage".

In February we suggest "Valentines" or "Love" themes:

In March we feature inventors and inventions of products mainly developed in Canada.

We will use the 10 point Stampex, Toronto judging system

Title=1, Story =1, Elements =3, knowledge & quality of material(s) =2, creativity & presentation =3

***** Prizes for best exhibit each month & a GRAND PRIZE at STAMMPFEST.
