ZOOM Computer Program

You won't need to install any extra software to join a Zoom meeting. You can do it all through a web browser. Follow the link in the invite to the meeting sent by email to you... A new tab will open on your preferred web browser. If you don't have the Zoom app installed, click the box on the page to download the app. You can join by audio only or participate if you have a laptop computer with a video camera and microphone. You can also join with a smartphone. Procedures for "Show & Tell" will be emailed.
