**Instructions for sellers at the January Called auction:** -You can submit 10-15 lots, however they likely will not all be used. -Give detailed descriptions, Country or Worldwide; include if possible catalogue values; year of issue; MNH, or mint hinged or used, quality. Stamp supplies can be sold also. The better the description, the more interest it will create. -The seller is responsible for the items, until sold

***- We don't want very expensive items on display, like over \$200. Make a photo copy to display on the table, and be ready to show it in person to a prospective buyer. So have your name on the photocopy. And wear your name tag.***

-Please submit your descriptions by December 21, so I can get a "catalogue" out by the New Year. You don't get lot numbers, but please use an auction slip *PDF form attached* on your items.

Map Stamp Use Dec 25th 1898 – Berlin Ont.

A special hand out by favour postmarked Berlin. I suspect W. H. Schmalz as an early collector and creator of much postal history, in the Waterloo County. Two styles available pink and blue - Mulready Style envelopes were printed by The Review Printing Co. (Peterborough).

Here is the Pink version, and please note it is addressed to Ottawa. (No Receiver) Also note the addressee !

William Mulock - P.M.G. and the same person who pressed for the creation of the Imperial Penny Post. The Cover was sent to him as a favour, I suspect, by W.H. Schmalz, and Mulock self addressed it in his own handwriting. Provenance: V.G. Greene

### Tuck's Post Card # B734 "THE CALL"

Walter Groggan's: • "The Call of The Old Home Flag"

North and South and East and West

Wherever the Briton homes, On lonely road or sheltered quest,  
Wherever the trail he roams, Today a call rings loud and clear,  
That hearing no man may lag, It stirs our hearts both far and near,  
The call of the old Home Flag.

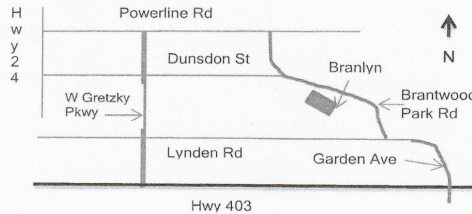

Two versions: original and re-printed for Christmas 1914

## An Illustrated Philatelic Glossary

### “TÊTE BÊCHE PAIR”

When stamps are printed upside down to each other and remain attached, they are said to be a Tête Bêche pair and may be collected either as pairs strips or blocks, if separated they are no longer seen as tête bêche.

These semi-postal stamps were issued by The Philippines on 17 July 1959 to celebrate the 10th Boy Scout World Jamboree held at Makiling National Park in The Philippines.

They can be mounted with either the red or the blue stamp upright, but one or the other will always be upside down if they remain attached to each other.

### “REISSUED”

Stamps that have some change made to them and then are issued again are said to be reissued.

In this case the stamps have an overprint that celebrates the 2nd National Boy Scout Jamboree and were reissued on 2 May 1961.

Note that the overprint also changed the value of the stamps and eliminated the surcharge.

Thanks to Jim Measures for allowing Dispatch to Share his exhibit.
