How 'Freestyle Philately' works

- Create up to eight letter-size pages, or equivalent, on a single topic.
- Alternative page formats – such as double-width or square layouts are permitted, *provided the total display does not exceed the equivalent of eight letter-size pages.*
- Mount items from your collection and add written commentary
- Place pages in protective sleeves.
- Displays will be shown in frames separate from competitive exhibits.
- No judging, no formal rules and no scoring.
- A scheduled hour during the show will allow participants to stand by their displays and interact with viewers.
- Simple registration: name, display title and total page count
- *For questions about preparation or mounting, contact the Kitchener-Waterloo Philatelic Society by email: kwpskw@gmail.com. Registration deadline is May 29 2 weeks before the start of the show.*
